

July 3, 2020

To DIRTcar UMP Modified Teams and Drivers:

Please make your plans now to participate in the 10th annual DIRTcar Summit Racing Equipment Modified Nationals during the DIRTcar Summer Nationals events.

Again in 2020, the DIRTcar staff will manage the event from pill draw to payoff and each event will have a posted consistent payoff.

This year we have 28 races scheduled; a driver racing every race would travel 4706 miles and 73 hours. Winning every race would pay \$46,500.00 including \$5000.00 for the championship. A total of over **\$182,000.00** in purse is posted with a Summit Point Fund **\$15,000.00**.

For the second straight year, live streaming of all Summer Nationals / Summit Modified Series events will be available on DIRTVision. Your family, friends and sponsors will be able to catch every minute of action. Check out the package on DIRTVision.com.

All the events will be full Summit Modified Series events with full points, DIRTcar UMP Modified rules and DIRTcar procedures.

Drivers will count their best 8 races, with tiebreakers on the, 9th, 10th and 11th event.

Summit Racing Equipment continues to be a huge supporter of modified teams with their sponsorship program and the only thing you must do is show up, and have the decals on your car. Every car that makes the feature will be given an award from one of the many sponsor's Summit Racing Equipment has teamed up with to support the DIRTcar Summit Racing Equipment Modified Nationals.

Follow all the news and updates at www.modifiednationals.com or www.dirtcar.com or www.dirtondirt.com or on Twitter at @SummerNationals

Please find attached the event schedule, the payoffs, the procedures and the Summit Racing Equipment bonuses.

Thank you, teams, for supporting DIRTcar as well as supporting Summit Racing Equipment and remember if you can't support the summer nationals please support your local DIRTcar track.

Thanks, and Good Luck!!!
